

Broadcast Systems

Broadcast · Live Production · Audio · Video · Media IT

You Are Where You Should Be.

◆ SCOPE

What We Do and Where We Do It

What We Install

- 01 Broadcast
- 02 Live production
- 03 Professional audio and video
- 04 IT for media
- 05 Shared storage
- 06 Workflow
- 07 Consultancy
- 08 Technical service

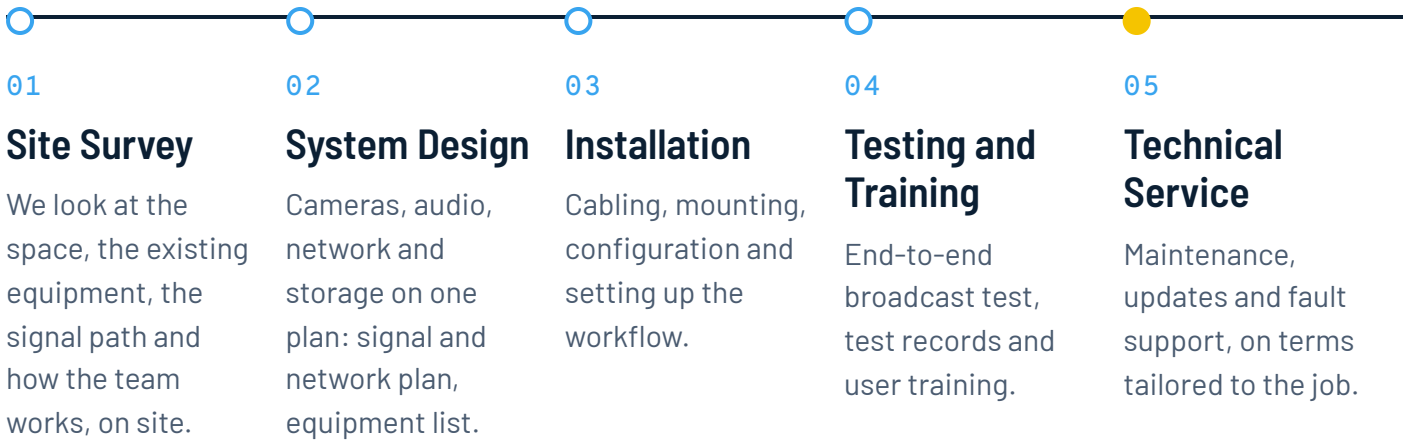

Where We Work

- Broadcast studios
- Post-production houses
- Film and music studios
- System integrators
- Schools and universities
- Live production facilities
- Streaming providers

◆ HOW WE WORK

From Studio to Live, on One Plan.

A broadcast system is not a pile of devices but a connected chain. From the camera to the network and from the network to storage, we build every link on the same plan.

◆ MANUFACTURERS · VIDEO AND BROADCAST

Cameras, Switching and IP Transport

Blackmagic Design

Broadcast cameras, vision mixers, converters, recorders and editing and colour software.

Vizrt

Live graphics, virtual studios and broadcast automation: software-based tools that change how pictures are made and presented.

Kiloview

IP video transport: encoders, decoders, NDI converters and IP video switching.

BirdDog

NDI-based PTZ cameras and converters for broadcast and live production.

Telycam

UHD and FHD PTZ cameras for video conferencing and live streaming.

Matrox

HD and SD digital video hardware and software.

The brands on this page are manufacturers we work with in supply and installation; brand names and images belong to their owners.

◆ MANUFACTURERS · CONTROL AND LIGHT

Control Panels, Lighting and AV

SKAARHOJ

Universal broadcast control panels for live production (Denmark).

JLCooper

Professional control, automation, synchronisation and interface products.

Loupedeck

Customisable control consoles that speed up editing and colour work.

Tangent

Control panels for colour grading, editing and post-production.

Colbor

LED lighting for photo and video production.

Turtle AV

Electronic equipment for audio and video systems (Melbourne, Australia).

The brands on this page are manufacturers we work with in supply and installation; brand names and images belong to their owners.

◆ MANUFACTURERS · AUDIO

Microphones, Interfaces and Audio Restoration

Aston

Boutique microphones and accessories, where engineering meets design (UK).

CEDAR

Audio restoration, dialogue repair, noise suppression and speech enhancement.

Focusrite Pro

Scalable audio interfaces and networked audio for professional sound engineers.

Synco

Wireless and wired professional microphones.

Maono

Microphones and audio gear for podcasters and online creators.

The brands on this page are manufacturers we work with in supply and installation; brand names and images belong to their owners.

◆ MANUFACTURERS · STORAGE AND NETWORK

Storage, Media and Networking

ProMax

High-performance shared storage, media management, backup and archiving.

Angelbird

Recording and storage media for professional cameras and recorders (Europe).

Sonnet

Thunderbolt PCIe expansion systems and external graphics (eGFX) solutions.

Netgear AV

Network switches designed specifically for AV over IP.
